## Bulletin Information

The *Public Health, Religion and Spirituality Bulletin* is a publication of the Public Health, Religion, and Spirituality Network ([publichealthrs.org](http://publichealthrs.org)). Two issues appear per year, Fall and Spring/Summer, with a re-bundled Spring/Fall “annual issue” released in January each year, and are published online and open access in HTML and paginated PDF format. Visit the *Bulletin* website to register for new issue notifications (<http://publichealthrs.org/bulletin/>). Prospective contributors of articles should read Oman & Long’s “Welcome” article (<http://publichealthrs.org/a001>) and contact us with ideas. The *Bulletin* Coeditors are Katelyn Long and Doug Oman, with Assistant Editors Angela Monahan and Ashley Meehan.
